CONCERNING THE LIMITED WAIVER OF GOVERNMENTAL IMMUNITY
FOR CLAIMS INVOLVING PUBLIC SCHOOLS FOR INJURIES
RESULTING FROM INCIDENTS OF SCHOOL VIOLENCE.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://www.leg.state.co.us/billsummaries.)

The bill amends the "Colorado Governmental Immunity Act" (CGIA) to recognize that a duty of reasonable care exists with respect to public school districts, charter schools, and their employees to exercise reasonable care to protect students, faculty, staff, and others from harm that is reasonably foreseeable while such students, faculty, staff, and

others are within the school facilities or are participating in school-sponsored activities.

The bill also amends the CGIA to waive sovereign immunity in connection with claims against public school districts and charter schools in an action for serious bodily injury or death resulting from an incident of school violence that occurs on property of a school or during school-sponsored activities on or after January 1, 2013.

For purposes of the bill, "serious bodily injury" means a bodily injury that, either at the time of the actual injury or at a later time, involves a substantial risk of death, a substantial risk of serious permanent disfigurement, or a substantial risk of protracted loss or impairment of the function of any part or organ of the body.

The maximum amount of damages that may be recovered from a school district or charter school in an action brought under the CGIA in a single occurrence is subject to the limits on damages under the CGIA ($350,000 to one person in any single occurrence and $900,000 for injuries to multiple persons in any single occurrence; except that no person may recover more than $350,000). In addition, if there is an award of damages on behalf of plaintiffs, the court may also award to the plaintiff attorney fees and costs in an amount not to exceed $350,000.

The bill specifies that it shall not be construed to constitute a waiver of sovereign immunity if the injury arises from any act, or failure to act, of an employee of a school district or a charter school if the act is the type of act for which the public employee would be or heretofore has been personally immune from liability.

The bill specifies that a public school district or charter school shall also have the same immunity as a public employee for any act or failure to act for which a public employee would be or heretofore has been personally immune from liability.

In order to promote vigorous discovery of events leading to an incident of violence in schools, the bill states that a defendant may not make an offer of judgment until discovery has been completed. The bill further states that if any defendant refuses to answer any complaint, if a default judgment is entered for failure to answer a complaint, or if a defendant confesses liability in an action brought against a public school district, the court shall allow full discovery upon request of the plaintiff.

The bill also precludes any rule of law imposing absolute or strict liability from being applied in any action against a public school employee for serious bodily injury or death suffered as a result of the breach of the duty of care established by the bill. No liability is to be imposed in any such action unless negligence is proven.

The bill makes conforming amendments. The bill applies to claims asserted against a school district or charter school resulting from an incident of school violence occurring on or after January 1, 2013.
Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly recognizes that:

(a) Colorado benefits from having an educated citizenry;

(b) Primary and secondary school students have limited autonomy during school hours and little say in the security provided during the school day; and

(c) Public school districts provide essential public services through primary and secondary schools and charter schools and unlimited liability against school districts could disrupt the provision of educational services.

(2) Therefore, the general assembly finds that public school districts and charter schools should be provided with protection from unlimited liability. However, the general assembly also finds and acknowledges that the sovereign immunity that has been extended to public school districts and to charter schools prior to the passage of this act can lead to inequitable results for students who are otherwise unable to protect themselves from serious bodily injury or death in the school environment. Moreover, the general assembly acknowledges that times have changed in this country and in this state because there have been so many acts of school violence in which students and teachers have been killed and injured by persons. In this state since April 20, 1999, there have been three separate incidents of school violence in which students have been killed at their schools. In response to school violence, schools have begun to undertake actions to address security issues, undertake safety drills, train staff, and assess the risks to students from acts of
school violence. Parents have a reasonable expectation that when they
send their children to a public school that the school and its employees
will have taken steps to keep the children safe. The general assembly
finds that it is now foreseeable that violence in schools could occur.

(3) For the reasons stated in paragraphs (1) and (2) of this section,
the general assembly therefore declares the purposes of this act are:

(a) To recognize and state that there is a limited duty of reasonable
care upon public schools, charter schools, and their employees to provide
for student safety and to protect students and employees in their schools;

(b) To waive on a limited basis governmental immunity, thereby
allowing for recovery of capped damages where that duty of reasonable
care has been breached by a school district, charter school, or their
employees; and

(c) To waive on a limited basis governmental immunity to ensure
that there is a robust and effective discovery through the legal system of
the causes of acts of school violence.

(4) It is the intent of the general assembly in enacting this act to
affirmatively recognize a statutory duty upon school districts, charter
schools, and their employees to protect students, faculty, and staff from
foreseeable harm caused by other persons. The general assembly hereby
declares that the purpose of recognizing that this duty exists under this act
is to create a tort remedy against school districts and charter schools in
cases where a school district, charter school, or its employees knew or
should have known of the danger that was presented and breached that
duty of care.

(5) The general assembly also further states that its intent in
enacting the provisions in this act regarding discovery and settlement is
to provide a remedy for plaintiffs affected by acts of school violence and
to achieve robust and vigorous discovery of events leading to those
incidents of school violence.

SECTION 2. In Colorado Revised Statutes, add 24-10-106.3 as
follows:

24-10-106.3. Immunity and partial waiver - claims for serious

RESULT OF NOT EXPPELLING OR SUSPENDING ANY STUDENT.

(6) NOTHING IN THIS SECTION SHALL BE CONSTRUED TO
CONSTITUTE A WAIVER OF SOVEREIGN IMMUNITY BY A SCHOOL DISTRICT
OR CHARTER SCHOOL IF THE INJURY ARISES FROM ANY ACT, OR FAILURE TO
ACT, OF AN EMPLOYEE OF THE SCHOOL DISTRICT OR CHARTER SCHOOL IF
THE ACT IS THE TYPE OF ACT FOR WHICH THE SCHOOL DISTRICT OR
CHARTER SCHOOL EMPLOYEE WOULD BE OR HERETOFORE HAS BEEN
PERSONALLY IMMUNE FROM LIABILITY.

(7) IN ADDITION TO THE IMMUNITY PROVIDED UNDER THIS
SECTION, THE SCHOOL DISTRICT AND CHARTER SCHOOL SHALL ALSO HAVE

established pursuant to subsection (3) of this section. No
liability shall be imposed in any such action unless negligence
is proven.

(9) (a) Except as provided in paragraph (b) of this
subsection (9), the maximum amount of damages that may be

for an incident of school violence that occurs on or after the
effective date of this section and on or before July 1, 2017, shall
file the action in the district court, and no compensatory
damages shall be awarded. The court shall not issue a
declaratory judgment regarding the negligence of the public
school, school district, or charter school; however, in such
action, the plaintiff is entitled to full discovery regarding the
incident of school violence.
(II) This paragraph (b) is repealed, effective July 1, 2018.

(10) In order to promote vigorous discovery of events leading to an incident of school violence in any action brought under this section, an offer of judgment by a defendant under section 13-17-202, C.R.S., prior to the completion of discovery, is not deemed rejected if not accepted until fourteen days after the completion of discovery, and the plaintiff is not liable for costs due to not accepting such an offer of judgment until fourteen days after the completion of discovery. If a defendant refuses to answer a complaint, or a default judgment is entered against a defendant for failure to answer a complaint, or a defendant confesses liability in an action brought under this section, the court shall allow full discovery upon request of the plaintiff.
