Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$355,595 from the license plate cash fund to the Department of Revenue for FY 2015-16. This provision also states that the appropriation is contingent upon the Department receiving sufficient gifts, grants, or donations.

Points to Consider

Revenue Source

The bill currently includes a cash funds appropriation of \$355,595 for FY 2015-16; the source of cash funds revenue is gifts, grants, and donations. The Revised Fiscal Note states the E-470 Public Highway Authority is the likely source of gifts, grants, or donations and the donation is needed for start up costs associated with the new temporary license plate requirements. Future appropriations will be funded with the previously uncollected revenue from unreadable temporary plates.
