Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2014-15 based on the December 2014 Office of State Planning and Budgeting revenue forecast. The budget package allocates all of the General Fund revenues projected to be available. The JBC has included as part of its budget package the \$23,008,332 General Fund revenue decrease that would result from the passage of this bill.
