A BILL FOR AN ACT

CONCERNING CHANGES TO THE STATE'S PAYROLL SYSTEM TO ALLOW ALL STATE EMPLOYEES TO BE PAID TWICE A MONTH.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://www.leg.state.co.us/billsummaries.)

Currently, the majority of state employees who are paid through the state's payroll system are paid on a monthly basis and some state employees are paid based on a bi-weekly pay period. For pay periods that begin on or after July 1, 2017, the bill implements a pay system in which all state employees who are paid through the state's payroll system are paid twice a month.
The bill specifies that beginning on July 1, 2017, state employees will be paid as follows:

For employees hired on or after July 1, 2017, for work performed from the first day of the month through the 15th day of the month, employees will be paid on the last day of the same month, and for work performed from the 16th day of the month through the last day of the month, employees will be paid on the 15th day of the next month.

For employees hired prior to July 1, 2017, employees will be paid as specified above; except that, for work performed from the first day of June through the 15th day of June, employees will be paid on July 1.

The bill allows any state employee to apply to the department of personnel for a one-time loan to assist the employee in July 2017. The amount of the loan cannot be more than an amount equal to the employee's net pay for a half-month pay period. The bill specifies 2 repayment options for employees who choose to take advantage of the loan and allows an employee to repay the loan early with no prepayment penalty. If an employee separates from state employment prior to the full loan repayment, the balance of the loan will be deducted from the employee's last paycheck.

The bill also makes necessary conforming amendments to allow the state's payroll system to pay employees twice a month.
