subject to the state sales and use tax. **Section 1** of the bill exempts these remaining sales and uses of dyed diesel from the state sales and use tax. This exemption automatically applies to statutory municipalities and counties. **Section 2** specifies that the sale, storage, use, or consumption of dyed diesel is exempt from the sales and use tax imposed by a home rule municipality or county.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Under current law, most sales and uses of dyed diesel fuel are
5 exempt from the state sales and use tax;

6 (b) In a limited number of circumstances, dyed diesel is used in
7 a manner for which it is not exempt from the state sales and use tax; for
8 example, if it is used to power a hospital generator or a semitrailer's cabin
9 auxiliary power unit;

10 (c) These nonexempt uses generate an insignificant amount of
11 revenue; and

12 (d) The different tax treatment of dyed diesel based on its use
13 creates an administrative burden for retailers.

14 (2) Now, therefore, the general assembly declares that the
15 intended purpose of the tax exemption created in this act is to streamline
16 the collection of sales and use taxes by treating all dyed diesel the same.

17 **SECTION 2.** In Colorado Revised Statutes, 39-26-715, **amend**
18 (1) (a) introductory portion and (2) introductory portion; and **add** (1) (a)

5 MEANING AS SET FORTH IN SECTION 39-27-101 (8).

6

8 determines, and declares that this act is necessary for the immediate
9 preservation of the public peace, health, and safety.
