

**UPDATED SUMMARY
HOUSE BILL 16-1322**

Second Regular Session - Seventieth Colorado General Assembly

This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.

The bill requires health benefit plans that are required under the federal "Patient Protection and Affordable Care Act" to provide contraception coverage as a preventive health service for women to reimburse *participating* providers or dispensing entities *in the health benefit plan's network* for: ~~dispensing~~

! Dispensing prescription contraceptives in a 3-month supply for the first dispensing to the insured person and for a 12-month supply for subsequent dispensings of the same prescription contraceptive to the insured person; *or*

! Dispensing to the insured person a prescribed vaginal contraceptive ring intended to last for 3 months.

"Prescription contraceptive" is defined as a medically acceptable oral drug or contraceptive patch that is used to prevent pregnancy and that requires a prescription.

Italicized words indicate new material added to the original summary; dashes through words indicate deletions from the original summary.
