Future Year Impacts: Minimal ongoing workload increase.		

**Summary of Legislation**

Under current law, an entity may file a statement of correction with the Secretary of State's Office (SOS) to revoke a previously filed document under certain conditions. This bill allows statements of correction to also be filed for a document that was delivered and filed in error.

**State Expenditures**

This bill increases SOS workload by a minimal amount to process any statement of correction received for a document that was filed in error. This workload increase can be accomplished within existing appropriations.

**Effective Date**

The bill was signed into law by the Governor on June 6, 2016, and takes effect August 10, 2016, assuming no referendum petition is filed.
