Current law requires the governor to designate one or more state agencies to compile a list of pesticides that cannot be used in the cultivation or processing of marijuana. The bill replaces these provisions with a directive that the governor designate a state agency to promulgate rules to designate criteria that identify pesticides that may be used in the...
cultivation of marijuana. The agency will list the pesticides that meet the criteria on its website.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. In Colorado Revised Statutes, 24-20-112, amend (1) as follows:

24-20-112. Implementation of section 16 of article XVIII of the Colorado constitution - criteria for pesticide use - education oversight and materials. (1) The governor shall designate a state agency to create a list of substances that may not be used in the cultivation or processing of marijuana as authorized pursuant to article 43.4 of title 12, C.R.S. The designated agency may consult with other state agencies in compiling the list. The state agency shall promulgate rules for the list of substances that may not be used in the cultivation of marijuana.

SECTION 2. Act subject to petition - effective date - applicability. (1) This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 10, 2016, if adjournment sine die is on May 11, 2016); except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2016 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor.
