The bill amends statutory provisions relating to the persons qualified to determine domicile for purposes of establishing in-state tuition at state institutions of higher education. The bill adds unaccompanied homeless youth to the list of persons who are qualified to determine their own domicile. An "unaccompanied homeless youth" is
defined in the bill, consistent with the federal definition, as an individual who has not attained 22 years of age and who is either an unaccompanied youth who is a homeless child or youth or who has been verified as unaccompanied, at risk of homelessness, and self-supporting by one of four verifiers listed in the bill.

The bill amends the definition of "qualified person" in the statutory provisions relating to tuition status to include unaccompanied homeless youth.
