The bill does not contain, nor does it require, an appropriations clause. The Department of Revenue does not require an appropriation for \$9,461 cash funds exempt related to programming costs as identified in the Legislative Council Staff Fiscal Note dated February 16, 2005. Bills with nominal programming costs adopted during the 2005 legislative session will be supported in the FY 2005-06 Long Bill under a line item entitled 'Programming Costs for 2005 Session Legislation.'
