**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)*

Clarifies provisions of S.B. 05-100 regarding regulation of political signs in common interest community associations (associations). Allows an association to prohibit the parking of commercial vehicles other than police, fire, and paramedic vehicles on community property and to limit the parking of police, fire, and paramedic vehicles so as to preserve adequate guest parking.

Simplifies provisions allowing a court to award attorney fees and costs to the prevailing party in litigation, eliminating the requirement of a claim-by-claim analysis of which party prevailed. Requires an

association to adopt a written policy for dealing with disputes between the association and unit owners, and to make the policy available to unit owners upon request.

Modifies the requirement imposed by S.B. 05-100 that a financial audit or review be completed within 90 days after the close of the association's fiscal year. In place of the requirement that the association's accounting records employ generally accepted accounting principles, requires that the records be kept on a cash or modified accrual basis and be accurate and complete. Replaces the current requirement for a biennial audit or review with an optional procedure whereby a review is only required if requested by 1/3 of the unit owners, and an audit is required only if requested by 1/3 of the unit owners and the association's budget exceeds \$250,000.

To the list of annual disclosures the association must make available to unit owners, adds a statement of the association's insurance and maintenance responsibilities. Requires recording of the declaration and any covenants in the county land records, if not already so recorded.

In provisions specifying notice by mail and publication to first mortgagees regarding proposed changes to a common interest community's governing declaration, clarifies that a preexisting process, under which amendments may be authorized by court order, is still available.

Allows supermajority provisions exceeding 67% for the amendment of covenants to continue to apply in communities where 67% or more of the votes are allocated to a single owner.

Clarifies provisions relating to notice of meetings and the opportunity for unit owners to offer their views on agenda items prior to action by the executive board. Modifies requirements for the taking of votes by secret ballot and the counting of ballots. Exempts associations whose board members are selected by delegates from secret-ballot requirements.

Replaces S.B. 05-100 provisions on board member conflicts of interest with provisions imported from the "Colorado Revised Nonprofit Corporation Act".

In provisions allowing a unit owner to file a claim against the association's property insurance policy to the same extent as a named insured, places conditions on the exercise of that right by requiring the unit owner first to contact the association and to give the association a reasonable opportunity to respond and inspect the damage. Prohibits an insurer from considering a clarification-of-coverage inquiry by a unit owner when setting premiums to be charged to the association.
