A BILL FOR AN ACT

101 **CONCERNING THE USE OF BIOFUELS IN STATE BUILDINGS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)

Interim Committee on Rural Economic Development Issues.

Requires the life-cycle cost analysis performed for each state-owned or state-assisted major facility to include an analysis of the use of biofuel to provide supplemental or exclusive heating, power, or both for the major facility. Defines "biofuel" to mean nontoxic plant matter consisting of agricultural or silvicultural crops or their byproducts, urban wood waste, mill residue, slash, or brush.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.

1 *Be it enacted by the General Assembly of the State of Colorado:*
