

Be it Enacted by the People of the State of Colorado:

Article XXVI of the Colorado Constitution concerning Nuclear Detonations is amended to add the following sections:

We the People withdraw our consent as taxpayers for locating atomic bombs here. As such, the great and good state of Colorado shall be a nuclear weapons free zone.

Enforcement:

It shall be a felony for anyone elected from the state of Colorado to vote in favor for research into, testing of or maintenance on nuclear weapons.

Penalty:

Upon conviction of such felony, a person shall serve a mandatory minimum sentence of 30 years in a maximum security prison before probation or parole.

All other sections of this Article shall remain in effect.
