22-1-120

Be it enacted by the People of the State of Colorado that SECTION 12, Article 1 of title 22, Colorado Revised Statutes, is amended BY THE ADDITION OF A NEW SECTION to read: public schools in the State of Colorado will provide a five minute period of time at the beginning of each school day which shall be called "Private Meditation" during which the student can invoke private or group prayer or have personal meditation and reflection time. A student that does not wish to utilize this time may remain quiet or utilize the time for curricular purposes.

- a. This measure would become active for the 2009 calendar year and would be perpetual throughout all Colorado Public Schools.
- b. This time would be universal in all Colorado public schools and commence for the first five minutes of each school day.
- c. This time would be in the first school period of each school day and would not be led by a teacher or school staff member, however, a school official may participate if they so desire.

This is the Revised Proposal
