Dear Members of the General Assembly:

I am pleased to submit the Department of Local Affairs' (DOLA) 2022 Regulatory Agenda, which details the new rules or amendments DOLA expects to propose in the next calendar year, as well as the 2021 Regulatory Agenda Report which details the results of the past year's regulatory activity, in compliance with Colorado Revised Statutes §2-7-203, as amended by House Bill 12-1008. The Department's 2022 Regulatory Agenda has also been submitted to the Colorado Secretary of State for publication in the Colorado Register, and will be posted to the DOLA website.

Effective July 1, 2022, all permanent rules adopted by the Department, as reflected in the 2022 Regulatory Agenda Report, involved early stakeholder engagement, as described by the Department's procedures for public participation in rulemaking (available online at <https://cdola.colorado.gov/>).

More information about DOLA rules can be obtained by contacting each respective Division within the Department.

Pursuant to Colo. Rev. Stat. §2-7-203(2)(II), DOLA will be prepared to discuss our 2022 Regulatory Agenda Report and 2023 Regulatory Agenda with the Department's Joint Committee of Reference during our upcoming SMART Act hearing.

Sincerely,

Rick Garcia
Executive Director
