The Colorado Department of Early Childhood (CDEC) is respectfully reporting in this letter regarding the statutory requirements according to Section 2-3-1304, C.R.S.:

Not later than October 15 of each year thereafter, each agency or institution shall submit to the capital development committee any additions or deletions to the list identifying any nondeveloped real property the agency has acquired or disposed of during the preceding state fiscal year. The capital development committee shall include this information in an annual report published on the website of the general assembly. The division of housing within the department of local affairs shall provide a link to the report on the division’s website.
