INTRODUCTION OF CONCURRENT RESOLUTION

The following concurrent resolution was read by title and referred to the committees indicated:

- HCR 00-1002 by Representative Witwer; also Senator Evans--Concerning the submission to the registered electors of the state of Colorado of an amendment to article X of the constitution of the state of Colorado, establishing a homestead exemption for a specified percentage of a limited amount of the actual value of owner-occupied residential real property that is the primary residence of an owner-occupier who is sixty-five years of age or older and has resided in such property for ten years or longer, and, in connection therewith, allowing the general assembly by law to adjust the maximum amount of actual value of such residential real property of which such specified percentage shall be exempt, requiring the aggregate statewide valuation for assessment that is attributable to residential real property to be calculated as if the full actual value of all owner-occupied primary residences that are partially exempt from taxation was subject to taxation for the purpose of determining the biennial adjustment to be made to the ratio of valuation for assessment for residential real property, requiring the general assembly to compensate local governmental entities for the net amount of property tax revenues lost as a result of the homestead exemption, and specifying that said compensation shall constitute a voter-approved revenue change and shall not be included in state or local government fiscal year spending or subject to any statutory limitation on general fund appropriations.
