

SENATE JOINT RESOLUTION 01-005

BY SENATOR(S) Dyer (Durango), Chlouber, Dennis, Phillips, and Taylor;  
also REPRESENTATIVE(S) Hoppe, Coleman, Crane, Fritz, Johnson, Kester,  
Larson, Miller, Nunez, Ragsdale, Romanoff, Spradley, Swenson, White, and  
Young.

CONCERNING ADDITIONS AND MODIFICATIONS TO THE WATER  
POLLUTION CONTROL REVOLVING FUND ELIGIBILITY LIST.

WHEREAS, Pursuant to the federal "Clean Water Act" and the provisions of section 37-95-107.6, Colorado Revised Statutes, the Water Pollution Control Revolving Fund has been created in the Colorado Water Resources and Power Development Authority ("Authority") to provide financial assistance for wastewater treatment system projects as set forth in section 37-95-107.6, Colorado Revised Statutes, and in accordance with the terms and conditions of the federal "Clean Water Act"; and

WHEREAS, Pursuant to section 37-95-107.6 (4) (c), Colorado Revised Statutes, in order to qualify as wastewater treatment system projects eligible for assistance from the Authority through the Water Pollution Control Revolving Fund or otherwise, proposed projects must be included upon a Project Eligibility List; and

WHEREAS, Pursuant to section 37-95-107.6 (4) (b), Colorado Revised Statutes, annual additions or modifications to the Project Eligibility List are required to be approved by Joint Resolution of the Colorado General Assembly, signed by the Governor; and

WHEREAS, The Colorado Water Quality Control Commission has developed additions or modifications to the Project Eligibility List consisting of proposed wastewater treatment system projects that have been identified by the Authority, in conjunction with the Colorado Department of Public Health and Environment, acting through the Division of Administration, and the Colorado Department of Local Affairs, acting

through the Colorado Division of Local Government, as appropriate for inclusion as additions or modifications to the Project Eligibility List; and

WHEREAS, The provision of financial assistance from the Authority through the Water Pollution Control Revolving Fund or otherwise to the proposed projects will preserve, protect, conserve, and develop the water resources of the state; promote the beneficial use of the waters of the state and the protection and preservation of the public health, safety, and welfare; create and preserve jobs and employment opportunities; and improve the economic welfare of the people of the state; and

WHEREAS, The General Assembly deems the projects to be in the interest and to the advantage of the people of the state; now, therefore,

*Be It Resolved by the Senate of the Sixty-third General Assembly of the State of Colorado, the House of Representatives concurring herein:*

1. That the following ninety-eight proposed wastewater treatment system projects are hereby included as additions or modifications to the Project Eligibility List as defined in sections 37-95-103 (10.5) and 37-95-107.6 (4), Colorado Revised Statutes, as projects eligible for financial assistance from the Colorado Water Resources and Power Development Authority through the Water Pollution Control Revolving Fund or otherwise:

**ADDITIONS OR MODIFICATIONS TO THE PROJECT ELIGIBILITY LIST**

<b><u>ENTITY</u></b>	<b><u>PROJECT DESCRIPTION</u></b>
Aguilar, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Akron, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant, monitoring wells, and meters.

Alamosa, City of	Wastewater treatment system improvements including, but not limited to, stormwater project.
Alamosa County/Mosca GID	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Arriba, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Aurora/Sand Creek	Wastewater treatment system improvements including, but not limited to, treatment plant.
Bayfield Sanitation District	Wastewater treatment system improvements including, but not limited to, collection and interceptor.
Bennett, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and reuse.
Berkeley WSD	Wastewater treatment system improvements including, but not limited to, treatment plant and system interconnection with Metro Wastewater District.
Boulder County/Canyon Parks	Wastewater treatment system improvements including, but not limited to, treatment plant and system interconnection with Boulder.

Boulder County/Eldorado Springs	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Boone, Town of	Wastewater treatment system improvements including, but not limited to, transmission, collection, and pumping.
Box Elder WSD	Wastewater treatment system improvements including, but not limited to, treatment plant.
Brookside, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Brownsville WSD	Wastewater treatment system improvements including, but not limited to, treatment plant and system interconnection with Erie.
Brush, City of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Cherry Creek Basin WQ Authority	Wastewater treatment system improvements including, but not limited to, <u>non point source projects (BMPs for runoff).</u>
Chicago Creek SD	Wastewater treatment system improvements including, but not limited to, collection, transmission, and infiltration and inflow.

Clear Creek/Arapahoe MHP	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Colorado City Metro District	Wastewater treatment system improvements including, but not limited to, treatment plant, interceptors, and collection.
Colorado Springs/ Cheyenne Mountain Zoo	Wastewater treatment system improvements including, but not limited to, connection to Colorado Springs.
Cortez Sanitation District	Wastewater treatment system improvements including, but not limited to, treatment plant, interceptors, and collection.
Crook, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Custer County/San Isabel	Wastewater treatment system improvements including, but not limited to, treatment plant.
Dinosaur, Town of	Wastewater treatment system improvements including, but not limited to, meters and treatment plant.
Dolores, Town of	Wastewater treatment system improvements including, but not limited to, collection, transmission, and infiltration and inflow.

Douglas County/ Franktown	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, and system interconnection with Denver Southeast Suburban W&S District.
Douglas County/Louviers	Wastewater treatment system improvements including, but not limited to, treatment plant.
Douglas County/Struby	Wastewater treatment system improvements including, but not limited to, system interconnection to Northern Douglas County WSD.
Eads, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
East Cherry Creek Valley WSD	Wastewater treatment system improvements including, but not limited to, stormwater improvements and collection.
El Paso County/Ute Pass Area	Wastewater treatment system improvements including, but not limited to, treatment plant.
Empire, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Erie, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.

Evans/Hill N Park SD	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, transmission, and interceptors.
Florence, City of	Wastewater treatment system improvements including, but not limited to, stormwater project.
Florissant WSD	Wastewater treatment system improvements including, but not limited to, collection and transmission.
Fort Collins, City of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Fort Lupton, City of	Wastewater treatment system improvements including, but not limited to, reuse, collection, and stormwater project.
Fowler/Westcamp	Wastewater treatment system improvements including, but not limited to, system interconnection with Fowler.
Fruita, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Georgetown, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, and interceptor.

Genesee WSD	Wastewater treatment system improvements including, but not limited to, collection and transmission.
Grand County/Shadow Mountain	Wastewater treatment system improvements including, but not limited to, treatment plant.
Hillrose, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Idaho Springs, City of	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, and interceptor.
Ignacio Sanitation District	Wastewater treatment system improvements including, but not limited to, collection and interceptor.
Kit Carson, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and meters.
Lafayette/Shady Acres	Wastewater treatment system improvements including, but not limited to, collection system.
La Junta, City of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Lake City, City of	Wastewater treatment system improvements including, but not limited to, collection system.

Leadville SD	Wastewater treatment system improvements including, but not limited to, collection system.
Lincoln County/Karval	Wastewater treatment system improvements including, but not limited to, treatment plant.
Littleton/Englewood	Wastewater treatment system improvements including, but not limited to, treatment plant.
Lochbuie, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and interceptor.
Loveland, City of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Lyons, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and meters.
Mack SD	Wastewater treatment system improvements including, but not limited to, treatment plant.
Mancos, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Marble, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.

Mesa WSD	Wastewater treatment system improvements including, but not limited to, treatment plant and meters.
Moffat, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Montezuma, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Montrose, City of	Wastewater treatment system improvements including, but not limited to, collection system and interceptor.
Morrison, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Mt. Crested Butte WSD	Wastewater treatment system improvements including, but not limited to, treatment plant.
North Lamar SD	Wastewater treatment system improvements including, but not limited to, treatment plant, transmission, interceptor, and collection system.
North Walsenburg	Wastewater treatment system improvements including, but not limited to, treatment plant.
Olathe, Town of	Wastewater treatment system improvements including, but not limited to, collection and transmission.

Ordway, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Ovid, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Pagosa Area WSD	Wastewater treatment system improvements including, but not limited to, treatment plant.
Phillips County/Amherst	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
Pikes Peak/America's Mountain	Wastewater treatment system improvements including, but not limited to, non-point source (BMPs for runoff).
Platteville, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Plum Creek WW Authority	Wastewater treatment system improvements including, but not limited to, treatment plant.
Poncha Springs, Town of	Wastewater treatment system improvements including, but not limited to, transmission, collection, and infiltration and inflow.
Red Cliff, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.

Routt County/Hahn's Peak	Wastewater treatment system improvements including, but not limited to, system interconnection and treatment plant.
Roxborough Park Metro District	Wastewater treatment system improvements including, but not limited to, system interconnection to Littleton/Englewood or Centennial WSD.
Rye, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, and interceptor.
Silver Hills SD	Wastewater treatment system improvements including, but not limited to, collection and transmission.
Simla, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and collection.
South Fork WSD	Wastewater treatment system improvements including, but not limited to, treatment plant.
St. Charles Mesa SD	Wastewater treatment system improvements including, but not limited to, treatment plant.
Starkville, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and system interconnection with Trinidad.

Sterling, City of	Wastewater treatment system improvements including, but not limited to, treatment plant, collection, and interceptor.
Strasburg SWD	Wastewater treatment system improvements including, but not limited to, treatment plant and regionalization.
Sugar City, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant.
Swink, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and system interconnection with La Junta.
Timbers WSD	Wastewater treatment system improvements including, but not limited to, treatment plant.
Vilas, Town of	Wastewater treatment system improvements including, but not limited to, treatment plant and meters.
Weld County/Wattenburg	Wastewater treatment system improvements including, but not limited to, treatment plant.
Westlake WSD	Wastewater treatment system improvements including, but not limited to, system interconnection with Broomfield.

Westminster, City of	Wastewater treatment system improvements including, but not limited to, treatment plant.
