**Points to Consider**

*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2014-15 based on the March 2014 Office of State Planning and Budgeting revenue forecast. The budget package allocates \$20.0 million General Fund to be available to fund 2014 legislation; if the full \$20.0 million is not used to fund legislation, it will be credited to the Controlled Maintenance Trust Fund.
