Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2014-15. The bill continuously appropriates moneys in the Local Firefighter Safety and Disease Prevention Fund.

Points to Consider

Legislative Authority

Is it necessary to "continuously appropriate" moneys in the Local Firefighter Safety and Disease Prevention Fund? This method of funding the activities of the newly created Local Firefighter Safety and Disease Prevention Grant Program essentially moves related expenditures off-budget, and thus expenditures are not reported or accounted for through the budget process.
