Meeting	Jun 10, 2020 - State Board of Education Regular Board Meeting 9:00 a.m. Day 1
Category	8. Action Items: Rulemaking Hearings
Subject	8.03 Rulemaking Hearing: Rules for the Administration of Accountability for Alternative Campuses, 1 CCR 301-57
Type	Action
Recommended Action	After conducting the rulemaking hearing, approve amendments to 1 CCR 301-57.

Based on feedback gathered from the field, CDE staff recommends amending the Rules for Administration of Accountability for Alternative Education Campuses as follows. Proposed language in section 3.005 would exempt school districts from the requirement to submit a request for Alternative Education Campus (AEC) designations in spring 2020 and allow the state board to roll forward AEC designations from fall 2019. Additionally, the proposed amendment language would suspend section 3.05 of the existing rules, exempting the department from evaluating AEC performance next fall, in alignment with Executive Order D 202 007 pausing accountability determinations for all public schools in fall 2020. The department also recommends several technical amendments to the rules to correct grammar and formatting.
